The recipient shall give preference in its procurement programs funded with Federal funds to the purchase of recycled products pursuant to EPA's guidelines, as applicable.

Any State agency or agency of a political subdivision of a State shall also comply with the requirements set forth in the Resource Conservation and Recovery Act (RCRA), Section 6002 (42 U.S.C. 6962), which requires that preference be given in procurement programs to the purchase of specific products containing recycled materials identified in guidelines developed by EPA under 40 CFR Part 247. Regulations issued under RCRA Section 6002 apply to any acquisition of an item where the purchase price exceeds \$10,000 or where the quantity of such items acquired in the course of the preceding fiscal year was \$10,000 or more.

7. Hotel and Motel Fire Safety

The recipient agrees to ensure that all conference, meeting, convention, or training funded in whole or in part with Federal funds complies with the protection and control guidelines of the Hotel and Motel Fire Safety Act (PL 101-391, as amended). Recipients may search the Hotel-Motel National Master List at <http://www.usfa.dhs.gov/applications/hotel/> to see if a property is in compliance (FEMA ID is currently not required), or to find other information about the Act. (Refer to 40 CFR Part 30.18 and 15 U.S.C. 2225a, as applicable.)

8. Drug-Free Workplace

The recipient organization of this EPA assistance agreement must make an ongoing, good faith effort to maintain a drug-free workplace pursuant to the specific requirements set forth in Title 40 CFR 36.200 - 36.230. Additionally, in accordance with these regulations, the recipient organization must identify all known workplaces under its federal awards, and keep this information on file during the performance of the award. Those recipients who are individuals must comply with the drug-free provisions set forth in Title 40 CFR 36.300.

The consequences for violating this condition are detailed under Title 40 CFR 36.510. Recipients can access the Code of Federal Regulations (CFR) Title 40 Part 36 at http://www.access.gpo.gov/nara/cfr/waisidx_06/40cfr36_06.html.

9. Debarment, Suspension and Other Responsibility Matters

The recipient shall fully comply with Subpart C of 2 CFR Part 180 and 2 CFR Part 1532, entitled "Responsibilities of Participants Regarding Transactions (Doing Business with Other Persons)." The recipient is responsible for ensuring that any lower tier covered transaction as described in Subpart B of 2 CFR Part 180 and 2 CFR Part 1532, entitled "Covered Transactions," includes a term or condition requiring compliance with Subpart C. The recipient is responsible for further requiring the inclusion of a similar term or condition in any subsequent lower tier covered transactions. The recipient acknowledges that failing to disclose the information as required at 2 CFR 180.335 may result in the delay or negation of this assistance agreement, or pursuance of legal remedies, including suspension and debarment.

Recipient may access the Excluded Parties List System at www.epls.gov. This term and condition supersedes EPA Form 5700-49, "Certification Regarding Debarment, Suspension, and Other Responsibility Matters."

10. Reimbursement Limitation

EPA's financial obligations to the recipient are limited by the amount of federal funding awarded to date as shown on line 15 in its EPA approved budget. If the recipient incurs costs in anticipation of receiving additional funds from EPA, it does so at its own risk.

11. Management Fees

Management fees or similar charges in excess of the direct costs and approved indirect rates are not allowable. The term "management fees or similar charges" refers to expenses added to the direct costs in order to accumulate and reserve funds for ongoing business expenses, unforeseen liabilities, or for other similar costs which are not allowable under this assistance agreement. Management fees or similar charges may not be used to improve or expand the project funded under this agreement, except to the extent authorized as a direct cost of carrying out the scope of work.

12. Lobbying and Litigation Prohibition

The recipient shall ensure that no grant funds awarded under this assistance agreement are used to engage in lobbying of the Federal Government or in litigation against the United States unless authorized under existing law. The recipient shall abide by 2 CFR 225 (OMB Circular A-87), which prohibits the use of federal grant funds for litigation against the United States or for lobbying or other political activities.

The recipient agrees to comply with Title 40 CFR Part 34, *New Restrictions on Lobbying*. The recipient shall include the language of this provision in award documents for all subawards exceeding \$100,000, and require that subrecipients submit certification and disclosure forms accordingly. In accordance with the Byrd Anti-Lobbying Amendment, any recipient who makes a prohibited expenditure under Title 40 CFR Part 34 or fails to file the required certification or lobbying forms shall be subject to a civil penalty of not

less than \$10,000 and not more than \$100,000 for each such expenditure.

13. Utilization of Disadvantaged Business Enterprises

The recipient agrees to comply with the requirements of EPA's Program for Utilization of Small, Minority and Women's Business Enterprises in procurement under assistance agreements as set forth in 40 CFR Part 33. The EPA DBE rule can be accessed at <http://www.epa.gov/osbp>. In addition, the recipient agrees to make good faith efforts whenever procuring construction, equipment, services and supplies under an EPA assistance agreement, and to ensure that sub-recipients, loan recipients, and prime contractors also comply with 40 CFR Section 33.301. Records documenting compliance with the six good faith efforts shall be retained.

The recipient accepts the applicable MBE/WBE fair share objectives/goals negotiated with EPA by the **California State Water Resources Control Board** as follows:

	MBE	WBE
Construction	24%	6%
Equipment	22%	26%
Services	30%	31%
Supplies	29%	20%

By signing this financial assistance agreement, the recipient is accepting the fair share objectives/goals stated above and attests to the fact that it is purchasing the same or similar construction, supplies, services and equipment, in the same or similar relevant geographic buying market as **California State Water Resources Control Board**.

Pursuant to 40 CFR Section 33.404, the recipient has the option to negotiate its own MBE/WBE fair share objectives/goals. If the recipient wishes to negotiate its own MBE/WBE fair share objectives/goals, the recipient agrees to submit proposed MBE/WBE objectives/goals based on an availability analysis, or disparity study, of qualified MBEs and WBEs in their relevant geographic buying market for construction, services, supplies and equipment.

The submission of proposed fair share goals with the supporting analysis or disparity study means that the recipient is not accepting the fair share objectives/goals of another recipient. The recipient agrees to submit proposed fair share objectives/goals, together with the supporting availability analysis or disparity study to Joe Ochab, MTS-1, the Regional MBE/WBE Coordinator, within 120 days of acceptance of the financial assistance award. EPA will respond to the proposed fair share objectives/goals within 30 days of receiving the submission. If proposed fair share objectives/goals are not received within the 120 day time frame, the recipient may not expend its EPA funds for procurements until the proposed fair share objectives/goals are submitted.

A recipient of a Continuing Environmental Program Grant or other annual grant agrees to create and maintain a bidders list. A recipient of an EPA financial assistance agreement to capitalize a revolving loan fund also agrees to require entities receiving identified loans to create and maintain a bidders list if the recipient of the loan is subject to, or chooses to follow, competitive bidding requirements. Refer to 40 CFR Section 33.501 (b) and (c) for specific requirements and exemptions.

14. MBE/WBE Utilization Report

The recipient agrees to complete and submit to the Grants Management Office, MTS-7, a MBE/WBE Utilization Report (EPA Form 5700-52A), within 30 days after the end of the Federal fiscal year; i.e., by October 30 of each calendar year. Negative reports are required. Only procurements with certified MBE/WBEs are counted towards a recipient's MBE/WBE accomplishments. A final MBE/WBE report must be submitted within 90 days after the end of the project period. Your grant cannot be officially closed without all MBE/WBE reports. EPA Form 5700-52A may be obtained from the EPA Office of Small

Business Program's Home Page on the internet at www.epa.gov/osbp.

15. Indirect Costs

The cost principles of 2 CFR Part 225 (OMB Circular A-87), "Cost Principles for State, Local, and Indian Tribal Governments," applies to this agreement.

If the recipient does not have a previously established indirect cost rate, it agrees that it will prepare its indirect cost rate proposal and/or cost allocation plan in accordance with OMB Circular A-87, "Cost Principles for State, Local, and Indian Tribal Governments." For proposal preparation, the recipient may use the appropriate completeness checklist located at: <http://www.aqd.nbc.gov/services/ICS.aspx>

The local government recipient whose cognizant federal agency has been designated by the Office of Management and Budget (OMB) must develop and submit its indirect cost rate proposal to its cognizant agency within six (6) months after the close of the governmental unit's fiscal year. If the cognizant federal agency has not been identified by the OMB, the local government recipient must still develop (and when required, submit) its proposal within that period.

The interstate agency recipient must send its proposal to its cognizant federal agency within six (6) months after the end of its fiscal year. If EPA is the cognizant federal agency of the interstate agency, local government, or special district, the recipient must send its indirect cost rate proposal within six (6) months after the end of its fiscal year to:

Recipients are entitled to reimbursement of indirect costs, subject to any statutory or regulatory administrative cost limitations, if they have a current rate agreement or have submitted an indirect cost rate proposal to their cognizant federal agency for review and approval. Recipients are responsible for maintaining an approved indirect cost rate throughout the life of the award. Recipients may draw down grant funds once a rate has been approved, but only for indirect costs incurred during the period specified in the rate agreement. Recipients are not entitled to indirect costs for any period in which the rate has expired.

Recipients with differences between provisional and final rates are not entitled to more than the award amount. Recipients may request EPA approval to rebudget funds from direct cost categories to the indirect cost category (to grants which have not expired or been closed out) to cover increased indirect costs.

Pursuant to 40 CFR 31.26, recipient agrees to comply with the audit requirements prescribed in the Single Audit Act Amendments, and revised OMB Circular A-133, "Audits of States, Local Governments, and

Non-Profit Organizations,” including Subpart C Section 305(b) which addresses the restriction on auditors preparing indirect cost proposals.

16. ACORN Funding Prohibition

Congress has prohibited EPA from using its FY 2011 appropriations to provide funds to the Association of Community Organizations for Reform Now (ACORN) or any of its subsidiaries. None of the funds provided under this agreement may be used for subawards/subgrants or contracts to ACORN or its subsidiaries. Recipients should direct any questions about this prohibition to their EPA Grants Management Office.

17. Payment to Consultants

Per 40 CFR Part 31.36(j), EPA's participation in the salary rate (excluding overhead and travel) paid to individual consultants retained by recipients or by a recipient's contractors or subcontractors shall be limited to the maximum daily rate for a Level IV of the Executive Schedule, to be adjusted annually. The Federal Executive Schedule (i.e., Salary Table) is located at: <http://www.opm.gov/oca/> This limit applies to consultation services of designated individuals with specialized skills and if the terms of the contract provide the recipient with responsibility for the selection, direction, and control of the individuals who will be providing services under the contract at an hourly or daily rate of compensation. This rate does not include overhead or travel costs and the recipient may pay these in accordance with its normal travel practices.

Subagreements with firms or individuals for services which are awarded using the procurement requirements in 40 CFR Part 31, are not affected by this limitation unless the terms of the contract provide the recipient with responsibility for the selection, direction, and control of the individuals who will be providing services under the contract at an hourly or daily rate of compensation. See 40 CFR Part 31.36(j)(2).

18. Procurement

The recipient will ensure all procurement transactions will be conducted in a manner providing full and open competition consistent with EPA regulations under 40 CFR Part 30.43, 31.36 or 35.6555, as applicable. In accordance with 40 CFR Part 30.45, 31.36(f) or 35.6585, as applicable, the grantee and subgrantee(s) must perform a cost or price analysis in connection with every procurement action, including contract modifications.

19. Non-Federal Third-Party Contributions

This award includes \$397,964 of non-federal third party contributions. Third party contributions counting towards satisfying a cost sharing or matching requirement must be verifiable from the records of grantees and subgrantees. EPA will measure sufficient progress by examining the performance required under the workplan in conjunction with the milestone schedule, the time remaining for performance within the project period, and/or the availability of funds necessary to complete the project.
